Jr. Friends of MacArthur Beach State Park

Are you interested in the environment, the out-of-doors, the beach, making friends and earning community service/volunteer hours? If so, Junior Friends is for YOU!

The Jr. Friends is a group of 6th grade through college level students providing volunteer service for John D. MacArthur Beach State Park. The group meets on a monthly basis to explore, learn about our natural areas and animals and to complete a service project.

Projects include beach clean-ups, exotic plant removal, building maintenance, planting, boardwalk enhancement or maintenance, trail maintenance, and more.

You can earn community service hours while having fun volunteering at the best State Park in Palm Beach County!

Meetings are from 11 am-noon in the Pew Family Natural Science Education Center at 10900 Jack Nicklaus Drive, North Palm Beach, FL 33408. The scheduled meetings are as follows:
